Authorization For Partial Transfer

To authorize Start to transfer a partial amount of your health savings account (HSA), complete this form. You must leave at least \$25.00 in your cash balance in order to do a partial transfer. **In order to allow for all transactions to settle, your account may be frozen for a period of at least five (5) business days prior to the funds being transferred.**

Note: You must have the funds you are requesting to transfer available in the HSA Cash balance plus \$25.00 before a Partial Transfer can be completed. Start does not automatically liquidate investments on your behalf. To do this, you must log in to your online account and sell enough funds to cover the balance you are requesting to transfer plus \$25.00 to leave in the cash balance.
